

NTGPE accredits all training posts and GP supervisors to train GP registrars through the Royal Australian College of General Practitioners (RACGP) and the Australian College of Rural and Remote Medicine (ACRRM), where eligible and unless otherwise notified.

Each GP wishing to be accredited as a GP supervisor is required to complete an individual Supervisor Accreditation Application Form.

First Name: _____ Last Name: _____

Training post / practice currently working at / where you will be supervising GP registrars: _____

QUALIFICATIONS

FACRRM FRACGP FARGP Other

If other, please specify: _____

RACGP Number: _____

ACRRM Number: _____

WORK EXPERIENCE

Are you an ex-GP registrar? Yes No

If yes, through which RTO? _____

How long have you been working in General Practice/Primary Health Care (including training)? _____

Post general registration, how many years have you been working in rural/remote areas, if at all (including time in training)? _____

Please note: Darwin urban area is not considered rural and remote by ACRRM. Rural and remote would include posts located in a setting that lacks ready access to specialist medical and other services, and requires the development of own knowledge and skills to match local community need.

Have you ever supervised GP registrars before? Yes No

If yes, please give details: _____

CURRENT EMPLOYMENT

Hours of work:

Day	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday
Hours							

I declare the above information to be true and correct, and have attached copies of supporting documentation where applicable:

Signature: _____

CHECKLIST FOR SUPERVISOR ACCREDITATION

The below checklist outlines all documentation that is required to apply for GP supervisor accreditation for the training of GP registrars. The NTGPE Accreditation Committee will be unable to review this GP supervisor accreditation application if any applicable supporting documentation is outstanding.

- Completed and signed Supervisor Accreditation Application Form
- APHRA registration
- RACGP CPD and / or ACRRM PDP statement for the current Triennium
- Up to date CV (*including current employment*)
- Fellowship certificates (*if applicable*)
- Please tick the box if you wish NTGPE to contact the relevant College(s) to obtain Fellowship confirmation*
- FOR NEW GP SUPERVISORS ONLY:**
A letter of reference from a general practitioner colleague that you have worked clinically with in the past two years.

NON-FACRRM GPs

Non-FACRRM GP supervisors that wish to be considered for accreditation as an ACRRM GP supervisor, to enable FACRRM GP registrars to be placed at your training post, you are required to complete and submit the additional documentation below for consideration by ACRRM.

- [Non FACRRM Supervisor Self-Assessment Form](#)
This form assesses experience and qualifications for doctors that do not hold a FACRRM for accrediting GP supervisors for Primary Rural and Remote Training. Please refer to the eligibility criteria for being a non-FACRRM GP supervisor of ACRRM GP registrars.
- Rural and remote medicine training – Graduate Certificate / Graduate Diploma / Masters Degree / Professional Doctorate, MD or PhD (*if applicable*)
- Certificate(s) of completed accredited emergency course(s) attended in last five (5) years (*if applicable*)

Please sign the completed accreditation application form and return with any relevant supporting documentation to the NTGPE Accreditation Team.
