

## Travel

All student travel within the Northern Territory will be coordinated and paid by NT General Practice Education.

Travel will be via one of the following options

- Greyhound bus services
- Bush bus services (buses run by individual communities to and from regional centers)
- Transfer by NTGPE staff (in a hired 4 wheeled drive vehicle)
- Transfer by clinic staff (often staff are in the regional centre to pick up stores etc.)
- Regular passenger transport flights (light aircraft)

You will be advised of your mode of transport and any weight restrictions 6-8 weeks prior to your placement commencement.

***Students may not alter any travel bookings without the express consent of the program coordinator.***
